Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Katharine Swailes
Address	MEADS WAY, 11, MEADS WAY, ARUNDEL, BN18 0QU
Type of Comment	Objection
Comments	I object to this facility due to the visual impact it will have on the area. Also It will impact on the deliverability of a new settlement planned by the Arun District Council for primary and secondary schools. West Sussex already have enough incineration sites. And finally it will harm the air quality in the area and is one of the worst ways of generating energy because of its effects on Climate Change. Also there will obviously be a huge impact on local roads and there is no infrastructure in place to cope with this.
