Dear Sir/Madam,

### Consultation from West Sussex County Council

---

Notification Under Regulation 3 of the Town and Country Planning Regulations 1992 for the regularisation, consolidation and extension to the existing waste transfer facility including an increase in throughput of waste. This application will be decided by West Sussex County Council.

Recycle Southern Ltd Elbridge Farm Chichester Road Bognor Regis PO32 5EF

---

Thank you for your recent application as above. I am able to inform you that this Authority **has no objection**.

We are awaiting a consultation response from ADC Environmental Health. Their comments will be forwarded on to WSCC once received, and will also be available on our website.

The planning department wish to raise no objection to the application. We would highlight that the increase in site movement from 60 HGV to 150 HGV trips per day and the impacts this will have on the locality. These impacts will be material considerations in your determination of the application.

I trust this information is of assistance to you.

Yours faithfully

Neil Crowther  
Group Head of Planning
