## Comment for planning application WSCC/028/21

Application number	WSCC/028/21	
Name	A. Gilsenan	
Address	IVY COTTAGE, LONDON ROAD, LONDON ROAD, PULBOROUGH, RH20 3JR	
Type of Comment	Objection	
Comments	Quite clearly the historic use of this proposed site will add substantial pollution in terms of noise, traffic and fumes to an already over crowded environment. It is totally inappropriate and will cause significant stress and distress to the local community. It must not be allowed to cause this suffering.
