

# Comment for planning application WSCC/028/21

Application number	<input type="text" value="WSCC/028/21"/>
Name	<input type="text" value="Carina Jenkins"/>
Address	<input type="text" value="MITCHBOURNE HOUSE, MALTHOUSE LANE, MALTHOUSE LANE, PULBOROUGH, RH20 3BU"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="I strongly object to the proposal for the continued the continued winning, working and processing of sand from the existing Rock Common Quarry and the placement of imported material within the quarry void. The proposal will cause significant and unreasonable increase in traffic of large vehicles (lorries) that will pollute the protected area of the South Downs. The impact on the listed buildings around Washington and within the surrounding area will be detrimental. The area is certainly not suitable for an increase in traffic either. Furthermore, the plans to fill in the quarry with waste will lead to disastrous effects on the environment. Please do not think short term when reviewing this application, but think long term and of children's future and many generations to come."/>
