Name	Cecilia Strong	
Address	RAINBOW WAY, 4, RAINBOW WAY, PULBOROUGH, RH20 3NY	
Type of Comment	Objection	
Comments	I wish to lodge an objection to the siting of a recycling plant on Rock Common Quarry, apart from the loss of habitat for wildlife my main objection is that this will obviously increase the amount of traffic through our already congested and inadequate roads with the inevitable pollution of the atmosphere which is already dangerously high.
