

Comment for planning application WSCC/028/21

Application number	<input type="text" value="WSCC/028/21"/>
Name	<input type="text" value="David Hancock"/>
Address	<input type="text" value="STRATHAVON CLOSE, 8, STRATHAVON CLOSE, CRANLEIGH, GU6 8PW"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input alone="" and="" be="" cause="" dangerous.="" environment,i="" heavy="" landfill="" major="" means="" normal"="" occasions="" on="" problems="" proposal="" rejected."="" that="" the="" this="" to="" traffic="" type="text" urge="" value="I am a frequent visitor to the area,either camping at the Washington Camp and Caravan Park, also walking and cycling in the area.The main road from the roundabout at Washington towards is on many occasions lethal.There is no provision for pedestrians and cyclists who take their lives in their hands on the road with the amount of both heavy goods vehicles as well as fast moving traffic. The further increase in industrial vehicle movements in the area can only discourage visitors to the area. The proposed work to be carried out will certainly disrupt the tranquility of the area as well as threaten the local businesses nearby and interfere with users of the National Park,South Downs Way. I trust that traffic surveys during the Covid Pandemic were not considered to be normal as " will=""/>
