## Comment for planning application WSCC/028/21

Application	WSCC/028/21	
number Name	Diana Bowers	
Address	TRULEIGH ROAD, 2, TRULEIGH ROAD, STEYNING, BN44 3JR	
Type of Comment	Objection	
Comments	I must object to the landfill proposal in The Hollow. Not only because of the likely water pollution and contamination from the previous household landfill but also because of the loss of unique habitat for our precious wildlife including peregrine falcons, sand martins and great crested newts. If this project goes ahead it will be a disaster.
