
**STATEMENT IN SUPPORT OF AN APPLICATION FOR RENEWAL OF
A TEMPORARY PLANNING PERMISSION FOR THE CONTINUED SITING AND USE
OF THE RELOCATABLE UNIT AT DURRINGTON INFANT SCHOOL, SALVINGTON
ROAD, WORTHING, WEST SUSSEX, BN13 2JD**

1.0 Proposal

The continued siting and use of a temporary relocatable unit providing an additional teaching classbase, together with associated space for storage, toilets and circulation. A maximum temporary planning permission period of **two years** is sought for the continued siting and school use of this relocatable classroom unit.

2.0 Education Background

The relocatable unit E886 was installed on site due to the rapid rise of pupil numbers. The Education Policy at this time addressed the immediate need to provide "roofs over heads" by the provision of relocatable classrooms. Occasionally, relocatable units may be installed to address a short-term need whilst permanent construction is being undertaken or if there is a fluctuating pupil roll over a short period of time.

West Sussex County Council has a rolling programme to replace (with permanent buildings) relocatable units on school sites, prioritised against the County's Asset Management Plan data for each school. This relocatable classroom unit has not been included, as yet, within the County Council's replacement programme as this particular unit is considered low priority when compared to the age/condition of other relocatable units situated on other school sites across the County.

3.0 Justification

The relocatable unit is required on this site to continue to provide adequate teaching accommodation for the pupils. The retention of the relocatable unit is required on this site to support the need for supporting spaces for SEND rather than classrooms for the national curriculum.

4.0 Associated Works

This application is for renewal only and therefore there are no associated works required.
