**STATEMENT IN SUPPORT OF AN APPLICATION FOR RENEWAL OF  
A TEMPORARY PLANNING PERMISSION FOR THE CONTINUED SITING AND USE  
OF THE RELOCATABLE UNIT AT SUMMERLEA COMMUNITY PRIMARY SCHOOL,  
WINDSOR DRIVE, RUSTINGTON, WEST SUSSEX, BN16 3SW**

### **1.0 Proposal**

The continued siting and use of a temporary relocatable unit providing additional teaching classbases, together with associated space for storage, toilets and circulation. A maximum temporary planning permission period of **five years** is sought for the continued siting and school use of this relocatable classroom unit.

### **2.0 Education Background**

The relocatable unit E1307 was installed on site due to the rapid rise of pupil numbers. The Education Policy at this time addressed the immediate need to provide "roofs over heads" by the provision of relocatable classrooms. Occasionally, relocatable units may be installed to address a short-term need whilst permanent construction is being undertaken or if there is a fluctuating pupil roll over a short period of time.

West Sussex County Council has a rolling programme to replace (with permanent buildings) relocatable units on school sites, prioritised against the County's Asset Management Plan data for each school. This relocatable classroom unit has not been included, as yet, within the County Council's replacement programme as this particular unit is considered low priority when compared to the age/condition of other relocatable units situated on other school sites across the County.

### **3.0 Justification**

The relocatable unit is required on this site to continue to provide the teaching space necessary to deliver the national curriculum. It is not possible to include this particular unit within the County Council's replacement programme as it is considered low priority when compared to the age and condition of other relocatable units situated on other school sites across the County.

### **4.0 Associated Works**

This application is for renewal only and therefore there are no associated works required.
