Name	<input type="text" value="Emma Norton"/>
Address	<input type="text" value="FRANKLIN ROAD, 9, FRANKLIN ROAD, WORTHING, BN13 2PG"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>The old Quarry is now a beautiful natural habitat with a large biodiversity.</p> <p>This proposal will damage the business of the long-established Washington Caravan and Camping Park as customers camp at the westerly edge of the Quarry boundary.</p> <p>This permission, if granted, would severely damage local tourism.</p> <p>There are also concerns about local traffic as Storrington High Street is already far too busy creating congestion and pollution. There would be additional noise pollution at the site, impacting local businesses and residents through the proposed extended hours.</p> <p>There is also the risk of increased water contamination: pollutant levels in Honeybridge stream are already elevated increasing risks to wildlife and the environment. The risk pollution and contamination to a major aquifer must not be underestimated.</p>
