Good morning Paula,

I write in request for an Extension of Time to the determination date of the application site. Unfortunately this is required as I have been out of office for the last two weeks with an injury.

I would be grateful if you could agree to an EOT for the determination date of this application for the 3rd of May (next Friday). We shall of course seek to issue a decision on this application before the agreed date if we are in a position to do so.

Kind regards,

Edward Anderson
