****EXTERNAL****

Morning Chris

Further to your email requesting an extension in time for the determination of the Rock Common planning application, on behalf of the applicants please accept this email as agreement to an extension until 1 March 2023.

Both applicants wish to allow all stakeholders sufficient time within which to submit representations and the extension will allow this taking full account of the Christmas period.

Kind regards.

Good morning Mick,

As discussed, due to the requirement for extended publicity over the Christmas period and the need for planning committee, I would be grateful if you could agree with me an extension of time until 1st March 2023.

Kind regards,
