Good afternoon Paul,

As a precaution, given you have submitted information to meet the comments raised by WSCC Highways in relation to the provision of a Construction Management Plan, please could you agree to a 21 day extension to the determination date of this application to the 11th of April, accounting for the 1 day Easter Bank Holiday.

If we receive comments back from highways before this date and everything is OK then I shall happily work to get a decision out ASAP.

Please could you confirm that this is satisfactory by way of response to this email.

Kind regards,

Edward Anderson
