**Subject:** WSCC/043/23 EOT

Good evening Daniel,

I have reconsulted WSCC Highways with the revised information and shall let you know of their response. I have offered them 14 days to respond, so we should be expecting something back by the end of the first week of March (although I should note that the allocated officer is currently out of office, and may require a couple of days grace to catch up – I shall update you as necessary).

In light of this, I would be grateful if you could agree to an extension of time to the determination date of this application to the 15<sup>th</sup> of March 2024. Please could you let me know by way of response to this email if this is acceptable.

Kind regards,

**Edward Anderson**
