Hi Chris,

I have asked the question if the proposal is satisfactory. I'll chase them next week.

Once this query has been ironed out, I can't see anything else preventing its positive determination.

Please therefore can I request an extension of time for the applications' determination until 19th April 2024. If the issue is resolved prior to this date, I will obviously determine the application as soon as is possible.

Kind regards,

Chris Bartlett
