Good morning Chris

Thank you for your email with attached letter requesting further information. In fairness to the various consultants who will need to be involved in providing the additional information, we shall be unlikely to make a start until after the Christmas and New Year break.

I note your suggestion re an extension of time and this seems to me to be reasonable and so accordingly can you accept this email as agreement by the applicant to an extension until 5 April 2022.

Can I take this opportunity to wish you and your family a Happy Christmas and I trust you will be able to have a relaxing break; we probably all deserve one after the last 12 months plus!

Best regards.

Mick

Good afternoon Mick,

Please find attached a request for further information in accordance with Regulation 25 of the Town and Country Planning (Environmental Impact Assessment) Regulations 2017.

Given the need for re-consultation and the requirement for being taken to planning committee which includes a lengthy committee report to be written, I would be grateful if you could agree with me an extension of time until 5th April 2022.

Kind regards,

Chris Bartlett
