Subject: WSCC/039/23 Extension of Time Request

Good afternoon Paula,

We require an Extension of Time to the determination date of this application as we will be unable to issue the decision today.

Therefore, please could you agree to an extension of time to the determination date of this application to Friday the 1st of December (end of this week) by way of response to this email.

We should be able to issue the decision before then and will attempt to do so where possible.

Many thanks,

Edward Anderson
