Good morning Chris

On behalf of the applicants please accept this email as agreement to extend the period for determination until 19 May 2023.

To update you, our hydro consultant has almost completed his response to the Council's consultant's comments on water neutrality (he is currently gathering historic use evidence from various water meters) whilst our highways consultant has discussed the access with WSCC Highways and (as I understand it) come to an agreed position. So, almost there!

Kind regards

Mick

Hi Mick,

Given we're still awaiting some response from consultees and also the updated Water Neutrality information, I would be grateful if you could agree with me an extension of time until 19th May 2023.

Kind regards,

**Chris Bartlett**
