Subject: Application no. WSCC/028/21
Date: 13 December 2022 17:02:04

****EXTERNAL****

I would like to record my objection to the approval of the above application. I live very close to the A24 where the noise and air pollution is already very poor and would significantly increase were this application approved. There is every likelihood of lorries using the Wiston Road (Hole St.) to shorten the journey from the North West which will involve traffic through Ashington Village.

A landfill site in this area will cause a degradation of air quality in an area adjoining the South Downs national park which is supposed to be protected for the preservation of flora, fauna and mankind.
