Comment for planning application WSCC/028/21

Application number	WSCC/028/21	
Name	Graham Willett	
Address	PINECROFT, THE HOLT, THE HOLT, PULBOROUGH, RH20 4AN	
Type of Comment	Objection]
Comments	The A283 is already a very busy road causing noise and pollution, both of which would be increased if this goes ahead. The area is in amongst beautiful countryside, right on the edge of the South Downs National Park which needs to be cared for, because once it's damaged it would never be the same again.
