Application number	WSCC/007/24
Name	Guy Lord
Address	THE OLD KENNELS, CUCKFIELD ROAD, CUCKFIELD ROAD, HAYWARDS HEATH, RH17 6ES
Type of Comment	Objection
Comments	 This is an objection to the Southern Water planning application WSCC/007/24 as it will: 1. Destroy an Area of Outstanding Natural Beauty 2. Destroy existing wildlife including endangered species 3. It's an experimental plan that Southern Water have never carried out before 4. It will have a detrimental effect on the existing environment with hedgerows destroyed during the breeding season 5. It was submitted 4 days before new Government legislation to ensure that new developments hav a Biodiversity Gain of at least 10%. This is clearly an attempt to not adhere to the new rules. 6. It is detrimental to historic listed buildings in the area 7. It covers over a site of archaeological importance. 8. There is absolutely no need for this as Southern Water already have a treatment works on site that can be upgraded at less cost and with no damage to the environment.
