Comment for planning application WSCC/028/21

Application number	WSCC/028/21	
Name	Jo Hoskins	
Address	HOMEWOOD, 49, HOMEWOOD, WORTHING, BN14 0XA	
Type of Comment	Objection	
Comments	This site would be best used for a nature reserve or such like NOT a landfill, which is totally unnecessary for the local area. Perhaps the council should focus their attention on more recycling collections so as to reduce the need for land fill. I object as I feel strongly that it will impact detrimentally on local residents in Washington and Steyning ie; extra traffic, pollution and noise.
