Hi Caroline,

The acoustic report submitted indicates that the impact of this development will be low. I therefore have no objection to this application.

I recommend the following conditions to control noise during the construction phase:

**Construction hours:** Works of demolition and construction, including the use of plant and machinery necessary for implementation of this consent shall be limited to the following times:

Monday to Friday: 08:00 - 18:00 Hours  
Saturday: 09:00 - 13:00 Hours  
Sundays and Bank/Public Holidays: No work permitted

**Deliveries:** Deliveries or collection of plant, equipment or materials for use during the demolition and construction phases shall be limited to the following times:

Monday to Friday: 08:00 - 18:00 Hours  
Saturday: 09:00 - 13:00 Hours  
Sunday & Public/Bank holidays: None permitted

Happy to discuss if necessary.

Kind regards,
