## Comment for planning application WSCC/028/21

A I! L!		
Application number	WSCC/028/21	
Name	Mark Murphy	
Address	JOHN IRELAND WAY, 48, JOHN IRELAND WAY, PULBOROUGH, RH20 4EP	
Type of Comment	Objection	
Comments	Toxic water is likely to enter the water table and food chain. There is many rare species such as falcons and newts that will lose their habitat. The nearby roads cannot take further congestion and the noise would effect normally quiet residences.
