Address	DOWNSVIEW AVENUE, 25, DOWNSVIEW AVENUE, PULBOROUGH, RH20 4PS	
Type of Comment	Objection	
Comments	The continued destruction of countryside in West Sussex must be halted, we have suffered with increased traffic and pollution and no attempt has been made to combat any of this. Local infrastructure is not able to cope with the increasing amount of traffic and at a time when we know nature is struggling with human interference we should be reducing our impact not increasing it.
