

# Comment for planning application WSCC/028/21

Application number	<input type="text" value="WSCC/028/21"/>
Name	<input type="text" value="Miriam Page"/>
Address	<input type="text" value="DEAN WAY, 12, DEAN WAY, PULBOROUGH, RH20 4QS"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<p>This application will destroy rare habitat with some species of national importance.</p> <p>The newt survey for this application is incomplete as only x1 done-there is proof there are great crested newts at the site and this has been deliberately covered up.</p> <p>There is no space for two lorries to pass on the narrow access road and it would take a great deal of money to widen the road suitablythis won't happen.</p> <p>This company STILL haven't completed their agreed restoration plan which was put aside from the last decade of excavation at a nearby site.</p> <p>Please do not allow this application to be agreed. Thank you.</p>
