

Comment for planning application WSCC/028/21

Application number	WSCC/028/21
Name	Mr Paul Rimmer
Address	CHANCTONBURY HOUSE, CHANCTONBURY CLOSE, CHANCTONBURY CLOSE, PULBOROUGH, RH20 4AR
Type of Comment	Objection
Comments	<p>The quarry is now a strong hold for raptors, mammals and I understand endangered amphibians That are protected by Natural Englands ecology and environmental management.</p> <p>Using this quarry for stockpiling and treating of the waste will have a massive impact on traffic and environmental quality in the area and no doubt at some point cause a serious if not fatal traffic accident with the large lorry's turning in on a blind corner, with the speed that these heavy vehicles and others travel along this section of road. There have already been a number of serious accidents and fatalities along this road without the additional pressure the additional traffic would cause.</p>
