Comment for planning application WSCC/028/21

Application number	WSCC/028/21
Name	Niccola O?Neill
Address	
	CROFT HOUSE, MAUDLIN LANE, MAUDLIN LANE, STEYNING, BN44 3PR
Type of Comment	Objection
Comments	Please reject this application. To increase the amount of traffic on already crowded roads is madness. WSCC are always asking residents to respect the environment and reduce our carbon footprint. This proposal flies in the face of such advice. This will have terrible consequences on local wildlife and the health of our rivers. Not to mention the amount of extra pollution that this would cause. I object most strongly to this proposal.
