Comments	We have suffered from numero damaging the verges for the la parking must be allowed on Bla	Im anxious about the adverse effect on the local population of increased traffic entering the site. The have suffered from numerous large tankers from Southern Water churching up gateways and maging the verges for the last few months. More care must be taken during these new works. No rking must be allowed on Blackstone Lane. It must all be accommodated on site. Please could this a condition of the planning permission if approved?
