Dear Mr Bartlett

REF: The continued winning and working of processing sand from the existing Rock Common Quarry

Location: Rock Common Quarry, The Hollow, Washington, Pulborough RH20 3DA

I am writing to object in the strongest terms to the above proposed planning application. I am retired and live in Ashington near the slip road and the traffic using this road to get fuel and to head south towards the Washington roundabout already creates a lot of noise, dust and pollution. I am very concerned about another 300-500 HGV vehicles being added to the existing amount of traffic.

I am also concerned about the water supply in the future if items tipped at the landfill site cause contamination.

Yours sincerely

PHYLLIS TUGWELL
