Comment for planning application WSCC/028/21

Application number	WSCC/028/21	
Name	Rachel Hossain	
Address	ASHDENE GARDENS, 4, ASHDENE GARDENS, PULBOROUGH, RH20 3JA	
Type of Comment	Objection	
Comments	I strongly object to this proceeding. The roads accessing the site are not safe for more lorries and the site is a habitat for rare birds and wildlife. The site at sand gate park has already been approved for inert waste so it is not justified that this is necessary at all. The existing plans to restore the site should be adhered to.
