## Comment for planning application WSCC/028/21

Application number	WSCC/028/21	
Name	Richard Cheesmanman	
Address	GLEBE CORNER, RECTORY ROAD, RECTORY ROAD, PULBOROUGH, RH20 4EF	
Type of Comment	Objection	
Comments	I object to this application. It is clear and obvious that a great deal of thought and money has been put into the report but that this is entirely biased, intentionally misleading and in places false. No application should be considered without independent council instigated reports on all aspects where the proposal does not meet planning needs. This includes harm to wildlife, unsuitable roads, traffic,noise, pollution, environmental damage and potential threats to health. Too often now we have seen savvy applicants distort the process to manipulate approval and on a plan of this scale. The council must be firm, and not swayed by tactical marketing.
