Comment for planning application WSCC/021/23

| Application number | WSCC/021/23 |
|--------------------|---|
| Name | Russell Ellcome |
| Address | WAKEFORDS WAY, 78, WAKEFORDS WAY, HAVANT, PO9 5JR |
| Type of Comment | Support |
| Comments | The proposed investment into the site based on the application look like they can only benefit the loca area. The resurfacing of the road into site would be fantastic as they would then be able to sweep it with a road sweeper properly. |
| | I know for one I would rather be using recycled aggregates from locally derived feedstock rather than seeing hundreds of trucks per day importing aggregate material from all over the country. |
