Comment for planning application WSCC/028/21

Application number	WSCC/028/21	
Name	Sara Hobbs	
Address	LINFIELD COPSE, 63, LINFIELD COPSE, PULBOROUGH, RH20 3EU	
Type of Comment Comments	Objection	
	This application will cause a detrimental impact on the whole area as there has been a massive increase in housing in the last five years. It will have a knock on effect to families and wildlife, not to mention the pollution and the SMELL with out the impact of traffic of lorries will be a major problem in such a built up area now. It is just not a suitable location and should be put elsewhere in the country.
