Application number	WSCC/003/24
Name	Storrington & Sullington Parish
Address	PARISH HALL, THAKEHAM ROAD, SULLINGTON, STORRINGTON, RH20 3PP
Type of Comment	Comment
Comments	Planning Committee Members from Storrington & Sullington Parish Council note the lack of a water neutrality report, as also raised by Natural England, and question whether the height line will be visible from the nearby residential dwelling. It also appears that the wrong post code has been provided in the application.
