Type of Comment	Objection
Comments	<p>Not enough information given prior. Concerned about the environmental effect. Has a survey been done ? I believe there are Crested newts , bats etc.</p> <p>We need more information about this scheme. . This feels like a very rushed programme .</p> <p>Also concerned why does there need to be a car park ? There is already a road and parking !</p> <p>Is this going to have a visitors centre.</p> <p>Concerned about the level of traffic the whole project will produce.</p> <p>We need to be fully consulted over this!</p>
