Whilst this is a valid operation I believe that this is in the wrong location and has had a really detramentel impact on my mothers health ,

ELBRIDGE FARM HOUSE, CHICHESTER ROAD, CHICHESTER ROAD, BOGNOR REGIS, PO21 5EF

The dust has been so severe this past year that it is hard for her to breathe outside of our home and the inside has also suffered extensively `as have our animals , The paddock has to be cleared most days as waste plastic /paper/polystyrene come over into their field and I am worried that they will choke on it, Also the very loud noise that they make startles the Horses and makes it dangerous to handle on some days, NOT THE RIGHT PLACE FOR THIS BUSINESS!
