Comments	<input type="text" value="As a local resident of Washington Village, I object to this application, the quarry lies within an area of outstanding natural beauty, I am deeply concerned what impact this will have on local wildlife including Deer, badgers and birds of prey who often frequent this site. I also feel concerned about an increase in heavy goods vehicles around the village causing unwelcome noise and traffic congestion. I believe that the adjoining roundabout on the A24 is also at full capacity."/>
