## Comment for planning application WSCC/028/21

Application number	WSCC/028/21	
Name	Ulla Suter	
Address	WHITE COTTAGE, BRACKEN LANE, BRACKEN LANE, PULBOROUGH, RH20 3HR	
Type of Comment	Objection	
Comments	Washington/Wiston has already endured excess pollution for years from the previous landfill situated next door to this latest proposal. The excess pollution that will be generated from another landfill is unfair and unacceptable to the local community including residents and the natural environment. The increased traffic movements by heavy loaded trucks will worsen the already congested roads in this area. The National Park area of Chanctonbury Ring on the South Downs is very close to the site and now that this area has some protection from planning proposals such as this another landfill should not be allowed.	1
