TO:	West Sussex County Council FAO: Edward Anderson
FROM:	WSCC – Highways Authority
DATE:	8 June 2024
LOCATION:	Staplefield Wastewater Treatment Works, Cuckfield Road, Staplefield, West Sussex, RH17 6ES
SUBJECT:	WSCC/007/24 Installation of Integrated Constructed Wetland (ICW) and associated infrastructure at land adjacent Staplefield Wastewater Treatment Works. Further information has been submitted to West Sussex County Council, including; revised site layout (removal of car park), updated cover letter, surface water details, and submission of operations & management plan.
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	No Objection

West Sussex County Council (WSCC), in its capacity as Local Highway Authority (LHA), have been re-consulted on the above County Matter Waste application (WSCC/007/24). Further information has been submitted to West Sussex County Council, including revised site layout (removal of car park), updated cover letter, surface water details, and submission of operations & management plan.

The parking area near to the site access has been removed after a reassessment of its need, taking residents' views into account. The proposed parking provision for equipment loading / unloading will require vehicles to park on the tracks surrounding the cells of the Integrated Constructed Wetland (ICW). The Highway Authority do not have any concerns related to highway safety with the proposed parking arrangement and therefore no objection is raised.
