<b>RECOMMENDATION:</b>	Advice

WSCC in its role of Local Highway Authority (LHA) has been consulted on the proposals for highway safety, capacity and access.

The current use has been in existence for some time. We are not aware of any adverse comments that may have been made by the Highway Authority, or of any other highway related concerns with this site and the current use. Therefore, it is not envisaged that there would be any significant highway issues to this use continuing.
