Hi Kyran,

Hope you are well – really quick one: the applicant has provided a CMP in response to your comments (attached).

I would be super grateful if you could check this and get a follow-up response over ASAP. Of course I will afford you a 21 day re-consultation to the 8th of April, but the applicant is wanting to start works on the 2nd. So if we can get a decision out ASAP (determination date is the 20th, next Wednesday!) that would be a huge help all round.

I've had a quick skim through the CMP and it looks fairly comprehensive – let me know what you think.

All the best,

Edward Anderson
