

**CUADRILLA RESOURCES
LIMITED**

PLANNING APPLICATION

FOR

**LOWER STUMBLE EXPLORATION SITE
TEMPORARY PLANNING PERMISSION FOR A
HYDROCARBON EXPLORATORY BOREHOLE**

TO

**TO UPGRADE EXISTING STONED PLATFORM AND
DRILL AN EXPLORATORY BOREHOLE
AND TEST FOR HYDROCARBONS**

AT

**LOWER STUMBLE
NEAR BALCOMBE
WEST SUSSEX**

**Cuadrilla Resources Limited
January 2010**

Section I	FORMAL APPLICATION AND STATUTORY NOTICES
Section II	SUPPORTING STATEMENT TO THE APPLICATION
1.	Introduction 1
1.1	General Statement 1
1.2	The Petroleum Licensees 2
1.3	The Petroleum Licence and Government Policy 2
1.4	Exploration Objectives 2 - 3
1.5	Geological Summary Lower Stumble Prospect 3
1.6	Benefits of the Development 4
2.	The Environment 5
2.1	The Location and Access 4
2.2	Site Access Assessment & Description 5
2.3	Environmental Impact 5 - 6
2.4	Public Rights of way 6
2.5	Existing Utility Services 6
3.	Site Occupation 6 - 7
4.	Access Track and Site Preparation 7 - 8
5.	Drilling Operations 8
5.1	Drilling and Casing Programme 8
5.2	Drilling Rig Layout & Footprint 8
5.3	Drilling Rig Mobilisation 8 - 9
5.4	Water Requirements During Drilling 9
6.	Flow Testing and Suspension 9 - 10
6.1	Well Testing and Short Term Production Testing 9 - 10
6.2	Suspension 10
7.	Restoration or Further Development 10 - 11
7.1	Plugging, Abandonment and Restoration 10 - 11
7.2	Further Drilling and Development 11
8.	Environmental Effects of the Development 11 - 12

8.1	General and visual Impact	11 – 12
8.2	Environmental Impact Assessment	12
8.3	Landscape Scheme	12
8.4	Assess	12
8.5	Noise	12
8.5.1	Site Preparation	12
8.5.2	Drilling	12 - 13
8.5.3	Testing and Flaring	13
8.5.4	Vehicle Movements	13
9.	Waste Disposal	13
10.	Lighting	13 - 14
11.	Drainage and Pollution Control	14
12.	Odour & Dust	14 - 15
13	Ecology	15
14	Archaeology	15
15	Landscape	15
16	Air Quality	15
17	Open Space	16
18	Relevant Planning Policies	16
