Dear Sir,

To satisfy condition 15 of planning consent WSCC/027/10/BA (fencing) Cuadrilla propose to put up their standard exploration stage type fencing consisting of round tanalised posts with sheep netting topped with two strands of barbed wire see attached photo - site fencing.

There will be a double set of lockable gates at the site entrance see

The position of the fence and gates are shown on the attached plan which formed part of the planning application.
