Subject: RE: Lower Stumble Hydrocarbon Exploration Site - Planning Application WSSC/005/14/BA

Dear Jane,

Many thanks for consulting Lewes District Council on the above application. I can confirm that we do not wish to make any comments on this consultation.

Unfortunately we did not receive the earlier notification as Lindsay Frost has now retired, apologies for not informing you of this. For any subsequent applications that WSSC wish to consult us on, could they be sent to planning@lewes.gov.uk

Kind Regards,
Ed

Edward Sheath,
Interim Head of Planning,
Lewes District Council,
Southover House,
Southover Road,
Lewes,
