7. DO YOU HAVE ANY GENERAL COMMENTS YOU WOULD LIKE TO SHARE?

I live in MARRINGDEAN ROAD, although we have a speed & weight restriction to one axle to it. It is used as a cut through to the railway station, schools, & industrial estates, despite the fact that it is a residential road. We are worried any increase in traffic would make this a great deal worse.

Driving in Marringdean Road - my concern is traffic - the road becomes very busy from 4.30 AM - many accidents occur as nobody uses the 40 mph limit - many towns would improve this situation
