Hi Dominic,

Thank you for your email, yes I was away on leave. I have just taken a look and yes, FPs 2308/2 & 2324 are in the vicinity but neither should be affected by these proposals and so the PROW team have no objection to raise to this application.

Regards,

Emily

Think sustainably. Do you have to print? Can you double side? Do you need colour?

Hi Emily,

I've just picked this application up from Ian - I've just sent my Highway comments to Chris; I believe you might be off this week. I'm not sure if you have been approached for PROW comments yet or whether you have anything you wish to add?

There are a couple of PROW's in the vicinity of the site, although I don't think any are directly affected. The closest are 2308/2 and 2324 but neither appear to border the site.

Kind regards,

Dominic
