## **CERTIFICATE C**

### **Unknown Surface Landowner**

The unknown landowner owns the surface of the land under which the borehole will drill from Adversane Lane extending north by approximately 80m. We have tried to identify the landowner and contact them using the following methods;

- Land Registry Search
- Letter to the property identified in the Land Registry on 29 March 2012
- Visited the property on 26 April 2012 where the current occupant did not have a forwarding address
- Contacted the previous vendor who did not have a forwarding address
- Asking other landowners for any contact details
- An advert will now be placed in the West Sussex County Times on 27 July 2012.
