Dear Mr Bartlett,

Thank you for your consultation letter received 23rd June 2014 in respect of the above planning application. Having reviewed the associated plans and supporting information submitted from the applicant on your website, I am able to advise that Horsham District Council raise **NO OBJECTION** to the proposed development. However, if you are minded to approve the application I request that a suitable condition is imposed ensuring the safeguard of retaining trees on site.

I am still awaiting comments from our Environmental Health department which once received I will forward directly to yourself.

I trust that this information is of use to you however if you require any further information please do not hesitate to contact me.

Yours faithfully
