Subject: RE: Planning Application WSCC/071/19 Balcombe - Re-Consultation
Date: 21 January 2020 11:45:55

Thank you for your email of 17 January 2020, seeking HSE's observations on planning application WSCC/071/19.

HSE is a statutory consultee for certain developments within the consultation distance (CD) of major hazard sites and major accident hazard pipelines, and has provided planning authorities with access to HSEs Planning Advice WebApp <https://pa.hsl.gov.uk>.

As previously stated in correspondence in October 2019, I should therefore be grateful if you would arrange for HSEs Planning Advice WebApp to be used to consult HSE for advice on this application, to see if it lies within the CD of a Major Hazard Site or Pipeline.

Should you or your colleagues need any additional help in using the new WebApp to obtain HSE's advice on a proposed development, a central support service is available at lupenquiries@hsl.gsi.gov.uk or by telephone on 01298218159.
